Salisbury Family Services has traditionally honored one of our own; an artist who calls Salisbury home. This year, we are celebrating our own many talented local artists and artisans! In September, we hope to bring our community together to honor and support the artists who enrich our lives by providing a venue to show and sell their work.

The event will be held on Saturday, September 18, 2021, from 10:30 – 3:30 under tents on the White Hart lawn. *Early buying opportunities for event sponsors will be from 9-10:30 AM. The event will be open to the public at 10:30.
